John and Bridget,

I'm writing to request your consent for the Estate to share with Star of Hope, Inc. ("SOH") and its counsel all material in the Arbitration that is subject to confidentiality restrictions. As you know, SOH is the sole beneficiary of Robert Indiana's Estate, and has an interest in the claims and counterclaims in the Arbitration. The Estate wishes to have confidential, common-interest discussions with SOH and its counsel regarding the Arbitration, so that SOH can appropriately monitor the Arbitration and communicate about it with the Estate's counsel. The Estate's ability to have such communications is currently limited by restrictions in the Stipulated Confidentiality Agreement and Protective Order in place in the Arbitration, as well as certain of the Panel's procedural orders. Of course, as a precondition to disclosure, the Estate would require that persons at SOH or its counsel first sign the NDA that accompanies the Stipulated Confidentiality Agreement and Protective Order.

SOH has retained Luke Nikas at Quinn Emanuel and Donn Zaretsky at Silberman Zaretsky to advise SOH regarding the arbitration. Both are experienced art lawyers with familiarity of the underlying subject matter. I believe you and your client have already had discussions with Luke and Donn acting on SOH's behalf, concerning potential resolution of the claims in this Arbitration. Please let me know if you consent. If not, we will be asking the Panel for relief.

Thank you for your consideration. I look forward to your response.

Ed

I recall we signed off on a stipulation this past summer that you could have access to all the materials in the arbitration including those designated as confidential and so we have understood that you have had full access to the filings and to the discovery.

I'll call your cell tomorrow at 9am Eastern to discuss scheduling.

Luke:

I am pretty sure given your close working relationship with Venable, that you had access to the Hamilton Declaration quite a while ago. However, I think we can horse trade. My issue is that I am in Texas on a mediation just now and apart from Thursday, the date of the Simon Deposition, I am swamped. If you are willing to do the Hamilton Deposition later, I will agree. I am sure that the judge won't mind given how far away the trial date is and even the contempt hearing date. I have a layover today in Atlanta from 2PM to 3PM and if you can give me a number and are free, at that time, I can call you. Otherwise, let me know if you are available tomorrow morning at 9AM your time, which is before my mediation starts.

**Subject:** Various for our Monday Morning Telephone call

Hi Luke:

Here (further below) is another item that I hope we can discuss on Monday morning apart from deposition scheduling.

Starting with scheduling, our office has no time until the week of 10/18 because of other matters, including a trial in Maine next week, the week of 10/11. But we just had an upcoming

two week trial vacated in California so we now have the weeks of 10/18 through 10/22 and 10/25 through 29 available for depositions. We also have 11/1 and 2 available. **Markham Exhibit G - 12**

So into those dates, less any of them not available for you we have, by my reckoning, the following depositions to take on substance:

- Simon Salama-Caro - individually as a 30b6
- Paul Salama-Caro
- Jamie Thomas
- Melissa Hamilton
- Katherine Casey –

As to the sanctions contempt motion, let's confirm that Annette Vessechia is on 11/3, Greg Allen is on 11/5, and Tim Genexi is on 11/9. Confirm by zoom?

We would like to meet and confer about a motion. We are planning to make a motion to compel the further deposition testimony of Oswaldo Gonzales. It was too late for him to plead the Fifth since, in the same proceeding, he gave a declaration on the same subject matters about which he thereafter pleaded to Fifth. Also, during his deposition, he answered some questions which, just as his declaration acted as a waiver, served as an independent basis for a waiver of his Fifth Amendment right.

If I don't hear from you about a number to call at 9:00 am, please call me at (617) 699-4720. Speak then,

John
